That rule fixes the quorum at 2 now-official members while this may no doubt be all right in the case of Committees which consist of non-official members elected by the Municipal Council and the Distt Board in which case the total number of non-officials on the Committee is 5, a lower quorum is necessary in the case of Committees to which the Distt Board does not depute its quotas, since it does not make as considerable a contribution to the maintenance of the School. In such a case the number of non-official members on the Committee is only three all of whom are elected by the Municipal Council. A quorum of 2 is such a case appears to be somewhat high.

GOVT OF MYSORE

Sir,

I have the honour to state that Messrs H Chennappaiya and D Anantha Singh of Arsikere have been arrested under Rule 26(1) (b) and (5) of the Defence of India Rules and are detained These two persons are the elected councillors of the Town Municipal Council, Arsikere and under Section 12 (1) & (2) of the Town Municipal Act, the provisions contained therein do not seem to apply in this case as being a disqualification from continuing them as Municipal Councillors

I am therefore making this reference under Section 12 (3) for favour of obtaining orders of Government as to whether a vacancy is deemed to have occurred in the council and whether action could be taken to fill up the two places

I may also add in this connection that the above two persons are on the Managing Committee of the Municipal High School Arsikere As the presence of at least two non-official members is necessary to form the quorum under Rule 21 of the Rules for the management of the Municipal High School, it is also a point for orders as to whether the Municipal Council may be asked to nominate two other persons instead, for the conduct of High School committee meetings as otherwise no business can be transacted during the absence of the two members

I request you to kindly obtain urgent orders of Government in the matter

I have the honour to be,
Sir,

I beg to bring to your kind notice that the presence of non-official members of the Managing Committee, on the Freesship Committee, is necessary, as per rules for awarding of freeships to the poor and deserving students studying in the several classes of this School Freeships ought to have been awarded in the month of August only But it could not be decided on account of the present political disturbance and the absence of the non-official members of the Managing Committee

The students who are poor and regularly attending classes deserve encouragement But freeships cannot be decided since the three non-official members who are on the Managing Committee, are all under custody I request you, therefore, kindly to permit me to decide freeships, even without non-official members --
